

FALL 2020

Fatherhood APOSTOLIC SUMMIT CONVERGENCE

THURSDAY, OCTOBER 15 - SUNDAY, OCTOBER 18, 2020

SPEAKERS: DR. H.B. SEYMOUR, DR. J.B. SEYMOUR

**“LIES OF THE LEFT:
THE STRUGGLE FOR AMERICA’S SURVIVAL,
EXISTENCE, FUTURE, & CONTINUANCE”**

Our Fall 2020 Fatherhood/Apostolic Summit Convergence, which was held in October of last year, was poised at a *very* critical time, in what proved to be a *very* critical year. **One year ago**, at the juncture of New Year’s Eve service of 2019-2020, God had Apostle Seymour bring the message, “We Have Not Passed This Way Heretofore” in light of stepping into 2020. God had laid a clear prophetic burden and unction upon Apostle Seymour that *2020 would be an unusual year, full of experiences where we had never walked before*. And so as 2020 unfolded, we saw this come to pass in ways we had never seen before. And its effects continue on. As though enough drastic changes had not already come throughout the year, even in the final weeks of 2020, our entire nation remained hanging in the balances, trapped in the thick of a serious **“VAYEHI”**** tumult. (** Remember from the Spring 2019 Fatherhood/Apostolic Summit Convergence, **“VAYEHI”** is a Hebrew phrase meaning “And it came to pass” ... but not in a dry, finalized, completed past tense. It implies that the process of coming into being is still “up in the air”, and there is a spiritual tension, suspense, and ominousness surrounding the yet-to-be-seen-outcome.)

As the Psalmist cried, “If the foundations be destroyed, what can the righteous do?” (Psalm 11:3) **The fact is that our nation has been rocking and trembling daily for a long time now, as its very underpinnings are under assault.** America’s Bible-believing, godly, moral roots are being aggressively challenged, attacked, ridiculed, and targeted for destruction, by factions who despise our nation – *even by some who have been elected to serve THE PEOPLE and THIS REPUBLIC, but who instead serve themselves and a sordid Socialist/Communist agenda, which is actually just a temporary transitional step until the unveiling of a full-blown Antichrist system, which is hovering in the wings, waiting to take over.* Civil liberties are steadily being stripped and reduced, trying to force national conformity to an unrighteous, sinful mindset and code of behavior. On the religious front, as though the watered-down, New-Agey “megachurch” had not brought in enough damage and confusion, now there is an erupting of people leaving the Church in favor of witchcraft derived from various ethnic backgrounds, who in so doing have gone the *ultimate* mile in finding a way to denigrate the Bible by exalting race over Christianity; of self-professed “Christian witches”, deceived deceivers who pretend to be Christians, but partake in and are practitioners of Wicca and demonism, their goal being to “blend” these two unblendables so as to lure weak, foolish, searching-but-untaught candidates into satanic bondage; of blatant pagan, Hindu, Islamic, Buddhist, Illuminati, and other religions, mixing in with the apostate “megachurch” and morphing into an entity that becomes more warped daily; and so forth. Drag queens and transsexuals cavort in our nation’s elementary schools; pedophilia and incest are threatening to gain acceptance and credentials; the fires of racial divide have been purposely stoked and are burning like wildfire; the unacceptable sin of the murder of the unborn continues, despite major pro-life strides that had taken place in recent years. It is now enlarging itself with newfound vigor to increase the associated sins of organ harvesting, baby part consumption, cosmetic treatments made from the genitals and other cells of murdered children, and wickedness upon wickedness upon wickedness mounts and increases.

In the economic sector, much of America has been brought to its financial knees due to the impact of the control levied by different governors and mayors in response to 2020’s bout with a certain strain of virus. Not to lessen the suffering that some have experienced, but keep aware that this is the first time that our nation was literally shut down...because of a virus. In many states, churches and businesses were forced to severely modify or be closed altogether; *however, abortion clinics, strip clubs, Wal-marts, and massive amounts of leftist rioters were never impeded*. Now we are even witnessing the exposure of massive illegal election fraud all throughout the nation, spearheaded by agenda-driven forces, and bringing division all throughout the American political spectrum. If this is not rectified, then **THE BACKBONE AND THE INTEGRITY OF AMERICA WILL BE LOST**. Truth, justice, and order will be dissolved, and those who speak it will be vilified. And we are all dangling on the edge right now, watching as control and censoring more and more overtake liberty and free speech, as 2021 unfolds.

There is much truth in the following quote: “When exposing a crime is treated as though you are committing a crime, you are being ruled by criminals.” (Edward Snowden) Such a society is one whose moral condition parallels that of lawless societies that have perished long before our time, including Israel and Judah on the verge of captivity: “...judgment is turned away backward, & justice standeth afar off: for truth is fallen in the street, and equity cannot enter. Yea, truth faileth; & he that departeth from evil maketh himself a prey...” (Isaiah 59:14-15) **Indeed, this is where America finds itself standing today...TRUTH IS FALLEN IN OUR STREETS. We are very likely facing the demise of the free world, which has long championed liberty and justice for all. We are nearly mirroring the condition of Judah, when overwhelming destruction arrived through the hand of Nebuchadnezzar, which was reaped as the inevitable result of their unrepentant backsliding and unremedied forsaking of God.**

Apostle Seymour warned at this Summit Convergence in greater depth about the spiritual truths behind **“RIGHT”** and **“LEFT”**, and the moral leanings that are derived from how uprightly one conforms his heart and values to God’s, and how faithfully one carries God’s burden. (continued)

There is a deeply connected relationship to a people who walk according to righteousness, and the resulting blessings and LIBERTIES that prevail in that nation. Though some have not noticed or taken to heart the connection, **the Bible and history make it crystal clear: the morality of a nation and its RIGHT-standing before God determine its peace and its freedom.** And any who call themselves God's people cannot ignore this, cannot look away, cannot put their head in the sand. Rather, God commands that we examine ourselves, that we root out any evil, perverse, anti-God thinking, excuses, and behavior, and that we live and walk according to HIS "**RIGHT**"- EOUSNESS, which flows down to and yes, **includes**, our stances on national moral and civil issues.

Some have felt before that politics didn't matter much in day-to-day life; that it didn't impact much spiritually or in regards to Christianity; that it wasn't much of a concern, and that they didn't have much responsibility towards it. **This is a misguided view, and one that is born out of having lived in, and taken for granted, the luxury of a Judeo-Christian-based society free from the torments and oppressions under which other nations live.** Any Christian, or person for that matter, who has experienced the perils of a Communistic, atheistic regime, or other society without moral base, is overwhelmed when they see the blessings and freedom that abound in America. The Church and the Gospel have had freedom to operate, expand, and prosper, for generations upon generations. Bibles have been found in every hotel room across America, in hospitals, in doctors' waiting rooms, and multiple other places (*whereas in many other nations, having a Bible in your possession will garner you a prison or a death sentence*). Yes, even with its imperfections, shortcomings, and even rebellion, America has been *incredibly* blessed by God, beyond any of its contemporaries.

Yet we find ourselves on the verge of losing this entire country. When a nation or a people who have once known and obeyed God turn their backs on Him, it is only a matter of time before they go into captivity. America is now poised before the jaws of the great red dragon of Revelation 12:3, who is just waiting to devour the manchild as soon as it comes forth. The present and the future of our great nation depend firstly upon the personal righteousness of true men of God and the Church, and also the resulting impact that Christianity (*and true, Torah-loving Judaism, for that matter*) has on the society, including its guarding over and involvement in policy-making and civil rule. **If Christians do not have a direct hand in laying the foundations for an upright civil society, and do not participate by spreading the Gospel and upholding God's Truth, Commandments, and Morals in the day-to-day secular realm, then every basis for a healthy, just, fair, honest, prosperous, good, God-aware, moral, "**RIGHT**" society is disintegrated.** All we will be "**LEFT**" with is anarchy, immorality, unrighteousness, unjust scales, riots, turmoil, mayhem, sorrows, and destruction. And so here we stand.

MARCH 2021 IS COMING UP AND WILL BE HERE BEFORE WE KNOW IT!!! "LOCK IN**"** your schedules and travel plans to be with us for the Spring 2021 Summit Convergence here in the House of the LORD, before any hindrances or impositions may take place and impede everyone's activities again in 2021.
