

Fatherhood APOSTOLIC

SUMMIT CONVERGENCE

FALL 2011

THURSDAY, OCTOBER 27, 2011—SUNDAY, OCTOBER 30, 2011

SPEAKERS: DR. H.B. SEYMOUR, DR. J.B. SEYMOUR

“THE FATHER FRACTURE”

In our most recent Convergence (Summer 2011), we began to examine the very enlightening and liberating theme of **The Father Fracture**. Every time there is an absence of, a lack of, a failure of, an abuse of, Fatherhood of any dimension in people's lives, a **Father Fracture** results. These become implanted chinks in our armor and veritable land mines in our souls, which cause men of God, people of God, and people of all walks of life to have difficulty trusting, yielding to, surrendering to, and submitting wholeheartedly to, God the Father, a true spiritual father, a true godly father of any dimension, and/or true just ordained authority (*which does come in God's stead*) in any realm. So any **Father Fracture** that is left unchecked and broken turns into a **Foundational Faultline** in your deepest being. And it is impossible to build upon anything that has a Foundational Faultline...because no matter how well-covered or how deep within this faultline may be, *there will one day be a shaking that will cause anything built upon it to crash to the ground!* If a collapse like this does occur, yes, it can be disastrous at the time, and can harvest some drastic results for sure. But thankfully, God always has a redemptive factor: a time like this is when God the Father's rescuing Hand needs to come to our lives, to help us to identify these **Father Fractures** that nullify even the very best of our efforts and intentions. You see, one can receive forgiveness for sins, eternal salvation, and all that Jesus consummated for us at the Cross; can receive the Baptism in the Holy Ghost; and can have the life of Christ living through them; *yet can still be riddled internally with Father Fractures that will always manifest and prevent God's work within you to come to its full fruition.* A **Father Fracture** is one of the biggest weapons that the devil uses against men of God, people of God, and all humankind, to keep them farther and farther away from complete, wholesome relationship with God the Father, the spiritual father assigned to their lives, to fathers of any level, to correct order and authority in any area, to their spiritual family, to their role in the commission God has placed them in, their domestic families, and on and on down the line. Someone carrying an unhealed **Father Fracture** will forever be prone to misunderstanding and misinterpreting God the Father, His man, His plans, His methods, and so forth. Integral to the Apostolic Ministry is the sometimes tenuous and arduous process of rooting out and removing every **Father Fracture** that has plagued our lives. (see page 2)

This is a related part of the apostolic-in-type, spiritual commission that was given to Prophet Jeremiah: “**See, I have this day set thee over the nations and over the kingdoms, to root out, and to pull down, and to destroy, and to throw down, to build, and to plant.**” (*Jeremiah 1:10*) (**In the summer of 1979, God visited Apostle Seymour with the entire chapter of Jeremiah 1, with verse 10 being one of the specific verses. God told him that this would be part of the commission He had called him to bring forth. Incidentally, one who is a true apostle is literally born this way. He does not have to “come into this”, the makeup of his being is like this from the beginning. He functions this way automatically, resulting from the calling of an apostle being on his life. This is always the way that Apostle Seymour has operated, all of his life and ministry.*) God the Father wants for all of His people to have a sure, solid, whole foundation in their innermost beings. God must use a true apostle/apostolic spiritual father as His vessel to root out, pull down, destroy, and throw down, all false **Father Fractures** that have harmed each one of us. Then and only then can God build and plant—can He construct all He has decreed for our ministries and lives, knowing we will be able to withstand and triumph over any shakings or pressure that might come to try us. Then and only then will our foundations, our bases, our cores, be solid, complete, and impenetrable to anything that would attempt to separate us from God our Father!

The Father Fracture is not only a personal wound and hurt and internal bleeding that must be identified and healed, but the Father Fracture is also a disconnection from the Chain of Fathers from which you should have emanated. BOTH are taking place in the Church and world today! The Church and this society in which we live are in a FATHERLESS state! Principles of Fatherhood are mocked, trounced upon, and forced to the brink of extinction in today’s world. Submission to righteous godly authority, respect for elders, correct gender roles and identification, an honest work ethic, and so many more principles, are seen as antiquated, suffocating, and useless. *And these symptoms did not take place in society on their own—they are the outgrowth of a Church that has lost its connection with God the Father, true spiritual fathers, and fathers of all dimensions!* And the first responsibility for this syndrome of fatherlessness lays on the shoulders of men of God. **Without a true, full-fledged apostle and Apostolic Ministry being in place, true representative Fatherhood disappears.** Men of God who departed from the oversight of a true apostle and full Apostolic Ministry began to drift away from God the Father, Fatherhood, and their Chain of Fathers. In so doing, they found themselves **without a genealogy**, which was always the qualifier for ministry authentication. Many men of God and people of God today **have no Chain of Fathers whatsoever; thus, are without genealogy!** *The Bible is a book of genealogies; and not without intricate reason!* There is an unequivocal principle that stands true in time and eternity: ***We must be found in our Father.*** Of course, this means God our Divine Father, but it also includes true spiritual fathers, and any other *qualified* father(s) who influenced us towards God in the chain of our lives on down. Any broken links in a Chain of Fathers, or not having a Chain of Fathers, will cause a domino effect of severe **Father Fractures** in everyone affected.
