TOPICS AND THEMES *(Tentative)*

SPEAKERS: Dr. H.B. Seymour, Dr. J.B. Seymour *(Other Speakers TBA)*

• **KING MINISTRY / PRIEST MINISTRY**

The Church in America today has been manifesting as only a fraction of the whole, operating on only a few of the “16-cylinders” that God equipped it to run on! There is a dual nature to sound, whole ministry that has been absent for countless years. God is the King of all Kings, and has ordained His people to live in His Kingly Ministry and *only after that has been established, then* Priestly Ministry. America’s *non-Apostolic* Church is saturated with weak, impotent Priestly Ministry, which is but a shadow of even what Priestly Ministry alone was designed to be. Full-fledged Apostolic ministry reinstates essential Kingly Ministry, which will catapult the Church back into running on “all 16-cylinders”! Kingly Ministry is God the Father’s original intent for a universal connection to Him. Priests always have a part to play in a Kingdom, but no Kingdom can stand without a King in place. This Kingly Ministry is a system that harks back to the mysterious Melchizedek—who, incidentally, was *not so mysterious to either the Ancient Hebrews or to the Apostle Paul*.

• **APOSTOLIC REMISSION OF SINS**

One of the many assignments involved with apostolic ministry is the *remission* or the *retaining* of sins. *(This, of course, is in no way saying that there is a replacing of Jesus’ eternal purchase of the remission of sins [the finished work of Christ], but instead deals with the fruit-bearing enforcement of His victory.)* An apostle is commissioned with the authority, the Holy Ghost anointing, and the responsibility to present God’s people with the choice of either the *remittance* of the sins of their **souls** (mind, emotions, and will), or the *retaining* of those sins. In John 20, Jesus breathed upon those disciples he had called to be apostles, and gave them a special endowment. Exactly *what* was transmitted to those men in that indescribable Holy Ghost breath of the Son of God? *Why* is this extraordinary anointing bestowed upon an apostle? *What* does it all really mean???

• **AN APOSTLE: THE OPPOSABLE THUMB OF GOD**

The call and work of an apostle, in many ways, is distinctively different from the call and work of the rest of the five-fold ministry. Though they are all part of the Hand of God, it is an apostle who is the “THUMB” in multiple ways. The “opposable thumb” gives the hand strength...covering...unity...dexterity...skill...and precision, among many other things. Apostolic ministry is the culmination and the completeness of all of the other moves and dimensions of God; however, because it is so unfamiliar to the rest of the established five-fold ministry moves that have preceded it, this “opposable thumb” of God, which is so irreplaceably vital to the function of the Hand, oftentimes winds up being the “opposed thumb” of God! Christianity has to receive understanding about true apostolic ministry *post-haste*, for it is the prescribed order into which all of God’s people *must* ascend today.
