SUMMIT CONVERGENCE THEMES

The Fatherhood Of God

Men of God have brought forth the message, work, and relationship of GOD THE SON – Jesus the Savior/Word/Healer/Son. Men of God have brought forth the message, work, and relationship of GOD THE HUSBAND – The Spirit of God/Holy Ghost/Christ and His Bride, the Church. But the fullness of God, Who He really is in His entirety, is FATHER. It is now time for the message, work, and relationship of GOD THE FATHER to come to the forefront of Christianity. God is not complete to His people and His people are not complete to Him without His FATHERHOOD coming forth.

Caught Between The Prophetic And The Apostolic

Do you ever wonder why so many today use the buzzwords “apostle”, “apostolic”, “spiritual father-son”, but you do not always see the fruit of true, genuine father-son ministry in their lives and ministries? Do you find yourself going from meeting to meeting, seeking the answers about these important topics, but never find your questions totally answered and your longings fully satisfied? Do you now find yourself to another point where you feel void, stagnated, and searching all over again? *Why does this happen?* While the prophetic ministry is VITAL to the coming of the apostolic, it is not full-fledged apostolic ministry! There is quite a distance, quite a difference, and quite a metamorphosis involved to come from the HEART of God (prophetic ministry) into the MIND of God (apostolic ministry). *It takes a true, full-fledged apostle to define, implement, and set God's people into genuine apostolic ministry.* Those who are prophetic with apostolic overtones find themselves “caught between the prophetic and the apostolic” – and those with them find themselves caught there as well!

The Apostle/An Apostle/The Apostolic

The five-fold ministry gifts of Jesus are essential to the growth and transformation of the Church. Then there is another phase beyond the Church, which is the Kingdom, or the Family of God. God the Father's great love for us behoves Him to not leave us in the state of soulish disarray in which we may find ourselves. In order to form all of us more into the image of His dear Son, and hence into His own image, He utilizes the five-fold ministry gifts. It is an apostle who is the most comprehensive of all of these ministry gifts, with multiple functions and facets. One of the chief ways that God the Father works through an apostle is to reconcile **all** areas of our lives – fears, hurts, wrongs, relationships, anything that builds a wall between God and ourselves OR between any God-given relationship and ourselves – unto Him. The Kingdom of God is more than just a changing of your mind or ways. YOU YOURSELF must be changed into God's image from the very center and core of your being. There are five steps to becoming a true, full-fledged son or daughter to God. **God uses an apostle to take you through the essential transforming and rectification of your inner man that is necessary to becoming a true son or daughter of God!** An apostle brings forth TOTAL order – in every dimension of your life. He brings you into FULL Fatherhood – from God the Father all the way down. There is no dimension, no relationship, no area of your life, that an apostle does not deal with, leave untouched, unturned, or unresolved!

The Father And His Family

Until full-fledged Fatherhood is brought forth, the true HUIOTHESIA – the placing of a son – cannot take place in the lives of the people of God. Only by undergoing the COMPLETE TRANSFORMATION that a true apostle brings can the people of God come from being just BELIEVERS and CHRISTIANS into being SAINTS – and from GATHERINGS and ASSEMBLIES into FAMILIES. It is only when His people “**encounter**” God as “MY FATHER” that they will be wholly placed into the Father's family AND into their goodly heritage (Jeremiah 3:19). ONLY FULL-FLEDGED FATHERHOOD WILL BRING THE DESPERATELY NEEDED, DRAMATIC AND DRASTIC CHANGE TO WHAT WE KNOW TODAY AS THE CHURCH!
