SUMMIT CONVERGENCE

SUMMER 2011

THURSDAY, JUNE 23, 2011—SUNDAY, JUNE 26, 2011
SPEAKERS: **DR. H.B. SEYMOUR, DR. J.B. SEYMOUR**

**“A CHAIN OF FATHERS...
A BAND OF BROTHERS...
OR A GANG OF BUDDIES?”**

It is God’s system, pattern, intent, and desire that His men of God and His people function and flow together in Divinely designed, foreplanned ordered units. Of course, for any unified endeavor to be successful, **Fatherhood** must first be firmly established and set in place. And one of the very most core and key components of Fatherhood is **headship**. In fact, true Fatherhood is completely inseparable from, and practically synonymous with, true headship. No body, no unit, no corporate entity of any kind can exist without first having headship. And headship begins with a single head, and continues *in succession with* and *in collaboration with* many interrelated and necessary parts, each contributing essential support for the benefit of the whole.

In the Church across America today, virtually **all** men of God who operate collectively find themselves operating in one of three main groups: **A Chain of Fathers, A Band of Brothers, or A Gang of Buddies**. Each of these groups obviously has specific characteristics. In truth, there is really only one of these groups that follows proper protocol, and through which God can flow unhindered with maximum potency and effectiveness. *(see page 2)*

(continued from page 1)

As I just mentioned above, for any unified endeavor to be successful, Fatherhood must first be firmly established and set in place. *But there is a widespread “Father Fracture” in our Church and our nation that has left its mark on every segment of society.* Because of the effects of this “Father Fracture”, many men of God and people are either unaware of, cannot locate, or steer clear of and even avoid (*and sometimes even resist and rebel against*), the **Fathering** and **headship** they so desperately need. This is why men of God have split off into these differentiated groups, rather than staying united in the most powerful arrangement! To make things even more complicated, within each of these three categories, *hybridized variations of each one develop without true Fatherhood being present.* These variations are not easily perceived or distinguished, even by the vast majority of men of God. Therefore, the root is never exposed, and the remedy is certainly never discovered. This results in additional confusion, lack of unity, and disorder, *even among the well-intentioned.* And this renders the impact and efficacy of these unfathered groups of little or no effect for God!

God the Father is calling to all of His men of God, servants, and people to hear and to heed to His directives concerning Fatherhood, headship, order, and how to operate corporately. “The Father Fracture” has resulted in a broken-down chain of fathers, which spawns more and more, “of-lesser-effect”, spin-off groups. **Only by restoring every ordered link in “The Unbroken Chain Of Fathers” can “The Father Fracture”, from which so many in the Church and world suffer, be healed and sped back on its way to wholeness.** *Come and be with us at this Summer 2011 Fatherhood/Apostolic Summit Convergence...*
