

FALL 2019

Fatherhood APOSTOLIC SUMMIT CONVERGENCE

THURSDAY, OCTOBER 17 - SUNDAY, OCTOBER 20, 2019

SPEAKERS: DR. H.B. SEYMOUR, DR. J.B. SEYMOUR

**“TODAY’S REJECTION OF THE TRUE AND
FAITHFUL SAYINGS OF GOD THE FATHER...
GOD THE HOLY GHOST...GOD THE SON JESUS”**

This is an encapsulated review of the topics and material brought forth by Apostle Seymour and his son Elder Seymour at our Fall 2019 Fatherhood/Apostolic Summit Convergence. There is a concerted, all-out, aggressive re-engineering of the culture of our nation and generation – **attempting to rid it of everything related to Christianity, the Bible, the true Church, and Judeo-Christian ethics, and to re-build it into a society that reflects the complete opposite.** These changes taking place are not indicative of the normal, healthy growth of a people who, by fresh inspiration, over time, and through retrospective knowledge gained by experience, come up with new inventions, streamlined improvements, and helpful advancements for the common good of humanity. No, but these forcefully-implemented changes instead are meant to make, have made, and continue to make, a dramatic shift in the overall common standard and denominator of mankind. This evolution is *anything but* the natural course a civilization would take. Rather, it bears the mark of a civilization that has been overwhelmed by an unloosing of spiritual wickedness in high places, which is rapidly and subversively wreaking havoc upon, and undauntedly trying to topple, any remaining bastions of godly foundations that still stand in today’s world. **An established river that has been running through its carved-out bed for any length of time does not and cannot suddenly change its course and route so as to flow in an opposite direction. For that to happen, it would take either a natural disaster / catastrophe / “act of God”, OR ELSE OUTSIDE, PURPOSEFUL INTERVENTION.** So it is with humanity and society. Established customs, morals, traditions, values, etc., will not just do a 180-degree turn overnight; it takes time and gradual adaption to effect change, **UNLESS THOSE CHANGES ARE BEING FORCED AND THRUST THROUGH BY A SPIRITUALLY-EMPOWERED CAMPAIGN, WITH WITTING, COMMITTED PARTICIPANTS AT THE ROOT OF IT** (*who use the ignorance, apathy, and unrighteous state of the masses to their advantage in helping to speed their plans along unhindered*).

The prevailing reason that these changes for evil have been able to take place is because of the **ERODING / UNDERMINING / ABSENCE OF TRUE APOSTLES / RIGHTEOUS MEN OF GOD / WATCHMEN WHO LIVE, PREACH, AND RAISE UP GOD’S UNCOMPROMISED TRUTH AND DOCTRINES.**

A direct result of the loss of these apostles and also apostolically-raised men of God, is **the DIS-MANTLE-ING and DESTRUCTION of the true Church** (*which then causes the crumbling of biological/domestic fatherhood and true biological/domestic families, which then contributes to the breakdown of secular work and society, and so on*). As of this day, there is not a significant force of righteousness concerned enough or widespread enough to neutralize and overturn these attacks and the upheaval they are causing in society. *Therefore, we are witnessing the uprising and strengthening of a very anti-Christ system that is successfully overturning the Church and Judeo-Christian values in our nation, thereby radically altering the minds, hearts, souls, lives, and eternal destinies of our generation, and if no one does anything to stop it, the generations coming after us.*

At this Fall 2019 Summit Convergence, Apostle Seymour listed some very chilling statistics. There are levels of wickedness rising and becoming commonplace, celebrated, and **LEGISLATED**. There are dangers, beyond what most would want to hear, associated with the unbelievably fast and altogether unnecessary, increases in technology that the human race has now grown accustomed to using around the clock. *Just because a company puts out a new techno-product that renders obsolete the products that came out just 4 months before, does not mean that it is something that people need to have! In fact, how many people stop and ask themselves, why the rush to increase technology to higher and higher levels all the time? Why such a continual frantic push, that forces us into more and more computer, and less and less humanity? Is the latest in technology really a tool that helps us to be more productive, or has it crossed over the line and become a trap that enslaves us?*

Apostle Seymour brought up the vibrant presence of the saved, Bible-preaching Church in our nation just 30-35 years ago, and how that force of righteousness impacted everyday secular society. Back then, 1 in 3 people attended a Christian church of some form at least once weekly, and the majority of non-churchgoers knew that they should be going. Now, America of 30-35 years ago was by no means the height of spiritual perfection. But the presence of just this amount of people walking to just this level of godliness helped to enforce a relatively wholesome atmosphere in secular society at large; one that supported standards that were largely Judeo-Christian based, and that mostly disapproved of wrong and evil. **Contrast this with today**, when only 1 in 10 people attend a so-called Christian church once a week, and that includes the watered-down, false doctrine, so-called “mega-churches”, which are no comparison to the far more sound churches that were THE NORM just yesterday. Church attenders have gone from a decent **33 1/3% of the population** to a scant **10%**, and many of the so-called churches being attended today preach something unrecognizable and very unsound.

Apostle Seymour is not attacking anyone in ministry or what people would call “other faiths” by what he is about to point out. He feels a serious need to rectify the **incorrect trends** that are sweeping through some of the so-called church world today, which are based in untruth and misinterpreted doctrine, but have somehow worked their way into the contemporary church world. The rise of the “mega-so-called-church” and the “false grace” movement are – AT BEST – indicators of the lack of spiritual conviction, discernment, and quite frankly, common sense, of Christianity at large. Even more bluntly put, they are indicators of a rejection of God’s Truth and a great falling away. They are proof of the Scripture, “For the time will come when they will not endure sound doctrine; but after their own lusts they will heap to themselves teachers, having itching ears; and they shall turn away their ears from the truth, and shall be turned unto fables.” (2 Timothy 4:3,4) (***Apostle Seymour believes 100% in the true and amazing grace of God, but not the imbalance and abuse of it, which is becoming very widespread today. There may be some well-meaning people within this movement, but the entire premise has become very off-base.***) Incredibly, many have been reprogrammed to accept and believe false doctrines that become more ludicrous all the time – such as the direct (*false*) teaching that a Christian should never, ever repent again for any sin after they have been initially born again, and the disgusting and inexcusable claim that many of Jesus’ words are irrelevant because He often quoted the Old Testament, which is the Old Covenant. (*The Apostle Paul’s and the other apostles’ writings are full of quotes from Man Of God Moses and the Old Testament, showing their validity and their fulfillment. The whole New Testament is based greatly upon God’s revealing of Himself throughout the whole Old Testament – you cannot do away with the Old Testament!*)

(CONTINUED ON P.3)

Also, it is unfathomable to see how many so-called “churches” today have adopted the unwholesome, irreverent, very disturbing setting and environment of these so-called “mega-churches” – rooms/auditoriums with black-painted ceilings and walls, so-called “services” set in the pitch dark with techno-computer graphics zapping across a massive screen, laser-light shows and fog machines running at full tilt, and wretched, depressing, droning music being performed in rock-and-roll-concert fashion. **HOW ON EARTH HAVE PEOPLE COME TO ACCEPT THIS AS THE HOUSE OF GOD???**

Yet this is becoming the only definition of “church” known by teenagers, young people, and those just starting out with the LORD. **This is what they all will think that church is!!!** Most who favor using these “modern” techniques think it is an effective way of “reaching to the young people where they are at”. But what SHOULD be happening is that the true church should be reaching the young people (and all people) and *bringing them UP into a spiritual state and relationship with God where they should be, and NOT descend to and remain in a low, world-emulating land of compromise that prevents true spiritual deliverance and growth. In some ways, this reasoning is the equivalent of welfare checks and food stamps—the system purports to “help”, but it mostly locks people into a cycle of NEVER COMING UP. Immersing yourself in worldliness will never bring you into true godliness!*

“AND YE FATHERS [***Spiritual/Ministry Fathers, Domestic and Biological Fathers***],
provoke not your children to wrath, **BUT BRING THEM UP IN THE NURTURE AND**
ADMONITION OF THE LORD.” (Ephesians 6:4)

BRING THEM UP, Fathers... DON'T GO DOWN to where they are and leave them at that level!!!

Now let me point out something that is public knowledge—you can look this up yourself if you would like. Just about 20 years ago, some men of God became very alarmed when these methods began to be slowly introduced into the (so-called) church. You see, *these trends did not happen spontaneously*. They were *adamantly proscribed* by the “Purpose-Driven Church” movement, which had many similarities to the “Hillsong” group of modern so-called churches that were first hatched in Australia. When Council of Foreign Relations member/so-called pastor, Rick Warren, was launching his “Purpose-Driven Church” movement, all men of God and churches who signed up to be a part of his movement were **REQUIRED** to do the following things:

- Remove all **CROSSES** from the church/the sanctuary; (*this should have been an immediate deal-breaker for anyone signing up for this movement, but amazingly, people signed on anyway*)
- Stop calling your church a church and call it a “campus”;
- Remove all pulpits, lecterns, anything that looked “preachy” or “religious”;
- Get rid of the “preacher in the pulpit” and replace him with an easy-going, tolerant-of-sin “pal on the platform”;
- Paint the auditorium black for that modern-vibe setting;
- Adopt the giant screen, the fog machines, the rock-concert setting;
- And so forth.

Remember when churches had crosses prominently painted or displayed in the sanctuary, as they well and forever should? Remember even back to the earlier 2000’s, when large ministries at least *kept the lights on*, preachers preached from the Bible, and musicians and choirs still sang melodic, tuneful songs of praise? What has happened even to the widely-televised days of Bishop T.D. Jakes, Pastor Rod Parsley, and that era of Christian ministers, who may have fallen short in some areas, but who at least preached something that was recognizably **CHRISTIAN???** Remember when men of God called themselves by the terminology of their God-ordained office – **APOSTLE, PROPHET, TEACHER, PASTOR, EVANGELIST** – and not “mentor”, “life coach”, or the latest...“dream releaser”??? Again, **these trends did not just occur spontaneously. They were carefully formulated, orchestrated, implemented, and enforced, to the undermining of everything Biblical and Christian. They have been re-defining, re-calibrating, and re-inventing an unfathered, unoverseen, untaught, unguarded generation’s understanding of “CHRISTIANITY” into a pseudo-sham substitute that has become almost diametrically opposed to the real Church!** (CONTINUED ON P.4)

And these trends have yet another future goal in sight that will continue to alter and transform what they will call Christianity and the Church. At this stage in the “re-engineering” process, the cross-stripped, black-painted, pyrotechnics-and-smoke-laden auditoriums are meant to **blur the lines between the sacred and the profane**. People have now become accustomed to seeing a pagan, even occultic, expression imposed upon and intertwined into Christianity. There is barely a tangible difference between the appearance of many “mega-so-called-churches” of today, and a creaky haunted house, or a heavy metal rock concert. The image of an altar bathed in darkness, around which worshippers and seekers gather for a spiritual experience, **has been deliberately introduced**, and I believe it will turn into something more and more perverse as time goes on. Most people feel a natural revulsion to a setting like this. It triggers deep aversion, discomfort, and warning signals. It is a very commonly, almost universally shared response, and for good reason! *It doesn’t take much for most people to just innately know that this is not a suitable atmosphere for the Church.* How is it even possible that this built-in, automatic discernment has been deadened and overridden, and people have become so desensitized that they have swallowed this format? *How could anyone even consider this an acceptable substitute?* It is very unnatural, unholy, and **anti-Christ** for human beings to cavort around in the dark for what they call a “worship service”. Some people attending these meetings might disagree with these characterizations. They might only be trying to express themselves to God in a way they have become familiar with, but **they do not realize how blurred the lines have become**. A setting like this has the signet, seal, and stamp of the occult on it, ***yet many of today’s generation are so untaught, and have become so desensitized, that they lack discernment.*** ***And this desensitization is but one more step in priming the next generation to receive the one world church of the antichrist without them even perceiving it – and certainly without them protesting it.*** So what will be the new low to which people will transition next as this process continues? What will be the next hybrid monstrosity upon which they will scrawl the name “Christianity”? **AND WHO IS EVEN GOING TO KNOW THE DIFFERENCE IN ANOTHER FEW YEARS ???**

It is nearly impossible to imagine what the millennial mega-so-called-church looks like, unless you actually see it for yourself. Anyone with a heart that beats for the LORD and His work, with a sound and solid foundation in the Bible and the Church, find themselves very surprised when they see what it has turned into. **It is the wrong template to use**, and it provides a very compromised starting point for whatever will arise in the next generation.

The outwardly-observed, tangibly-felt unwholesomeness of the entire situation bespeaks the spiritual leaven that has spread through the whole lump. **THE FALSE DOCTRINES WHICH ABOUND IN THE SO-CALLED CHURCH TODAY ARE UNDERMINING THE TRUE WORDS AND SAYINGS OF GOD THE FATHER...OF GOD THE HOLY GHOST...OF GOD THE SON JESUS.** Sometimes the proponents of these false doctrines state that their “interpretations” are meant to alter/replace that which they call “the harsh sayings of Jesus”. Sin is being tolerated and condoned – it is becoming **common** now that many who call themselves Christians are openly living in fornication with their boyfriend/girlfriend. There is a growing number of those who call themselves Christians who are participating in non-Biblical relationships, and insisting that it is alright. Many camps have done away with any belief in an eternal hell, even though our LORD warned of it multiple times. In fact, the Pope himself has stated that the “new” official position of the Catholic church is that there is no hell. There is a giant backlash against morality, holiness, literal interpretation of the Bible, and **ANY TYPE OF CORRECTION** – all in the name of “FALSE GRACE”, “HYPERGRACE” and “NOT JUDGING”. God the Father’s grace is truly amazing...but must not be abused or taken lightly! Grace is not to be used as a license for continuing in sin. **Forgiveness is not permission!**

But no matter what false doctrines arise, no matter how radically trends strip and detract from that which is pure, no matter how hard subversive forces fight to overturn Christianity and everything about it – **THE WORDS OF THE LORD WILL NEVER PASS AWAY!!!** It doesn’t matter if no one is preaching them anymore – **THE WORDS OF THE LORD WILL NEVER PASS AWAY!!!** It doesn’t matter if the world ignores them, hides them, buries them, burns them, or otherwise obliterates them – **THE WORDS OF THE LORD WILL NEVER PASS AWAY!!!** It doesn’t matter if every court, jury, judge, and authority eliminates truth and holiness, and condones and furthers evil – **THE WORDS OF THE LORD WILL NEVER PASS AWAY!!!** And it is **THOSE ETERNAL WORDS** that will sentence or pardon each of us when we stand in God the Father’s Eternal Courtroom one day – the absolute most important Courtroom in which we will **EVER** stand.

(CONTINUED ON P.5)

Apostle Seymour detailed all of this falling away and re-defining of the so-called church at this Summit Convergence, which led to him covering many of the True Sayings of God the Son Jesus, which are neglected, done away with, rejected, ignored, and despised by many today. These True and Faithful Sayings are becoming UNKNOWN to most people today. Knowing and living by the Words of the LORD is one of the most crucial things for anyone to do. Men of God are commanded to preach only the Words of the LORD – not to add anything to them, nor to take anything away from them. God the Father, Who cannot lie, came to earth in the form of His Express Image, God the Son Jesus. Jesus warned His apostles, and all those who would be disciples, numerous times, of the very serious nature involved in following Him. He made quite clear **that any who would be His disciple must love Him above all else**, and to a much greater level than **any other person, thing, or occupation**. He stressed that **strait is the gate** and **narrow is the way** that leads to everlasting life...and how there be **few that find it**. He pointed out **the spiritual division that can take place even among members of the same domestic or biological family**, when they do not follow the LORD to the same degree of wholeheartedness. He stated that one expected result of following Him was that **a sword would pierce and put variance between relationships** that may previously have *seemed* close (*yet upon truthful inspection, most all of these relationships were never fully joined together in the spiritual realm. They were not set together by God with the same man of God...in the same spiritual House of God...and therefore, were never truly spiritual bone of each others' bone. If both parties do not progress together in the same, united spiritual path, there will inevitably be variance that comes between them*). Jesus talked about many categories of **people whom HE NEVER KNEW**. And many times He warned of the **fearful existence of the real, eternal hell, and the lake of fire that follows, and how those who are disobedient, those who work iniquity, and all those whom God the Father does not know – those who chose to say “NO” to God and all His plan from before the foundation of the world – will spend eternity there.**

These truths used to be proclaimed and held high by men of God in churches throughout America, as they solemnly warned the people. Even the least committed of Christians were aware of these passages. The Words of the LORD Jesus were present in the minds of all who called themselves His people, and the fear of the LORD held a sway that even helped keep a handle on secular society. But today, true apostles are all but disappeared – true men of God are silenced and bogged down in compromise – today’s “mega-so-called-church” is re-defining what the younger generation thinks of as the church – and the floods of filth and iniquity are rising, rising, rising in society like never before. **Hence, these True Sayings of the LORD Jesus are being preached less and less.** We are running the risk of repeating the days of the sinful offspring of Cain overtaking the final remnants of the righteous offspring of Seth – those who “came down from the mountain”. God the Son Jesus promised that the days of the coming of the Son of man would be like the days of Father Noah all over again, when sin and debauchery were at a high, and attentiveness to and concern for the LORD were at a low: “But as the days of Noe were, so shall also the coming of the Son of man be. For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noe entered into the ark, And knew not until the flood came, and took them all away; so shall also the coming of the Son of man be.” (*Matthew 24:37-39*) We are drawing nearer and nearer to becoming a fully idolatrous society, like the days when wicked Nimrod ruled over most all of the known world, and the only bright spot was the preserving House (Bet ha-Midrash) of Father Noah and Son Shem. They preserved and taught all the ways of the LORD, and, among those whom they protected and raised up, was **Father Abraham**. Father Abraham is, among many other things, a type of a true apostle/apostolic ministry, the forefront man called, chosen, and commissioned to stand almost completely alone against the very powerful, dominating, anti-Christ world system and rulers, who wanted him dead from the very start. **Father Abraham (type of an apostle / spiritual father of a message, movement, and family) boldly and with Divine anointing, preached the True Sayings of the LORD, withstood and removed himself from Nimrod’s evil rule, took the people God had given him whom he raised up into a strong spiritual family, made a long journey to the Land God had promised him, where he re-settled and re-established the ways of the LORD that he had learned in the House of Father Noah and Son Shem (Order of Melchizedek). For some time, Father Abraham’s household was a “few-in-number” House of PRESERVATION, PROMISE, and PROGENY.** But eventually, Father Abraham’s godly fathering and influence brought forth God’s chosen nation, Israel (*through Promised Son Isaac, then Grandson Jacob*), as well as many other nations, and descendants as numerous as the stars of heaven and the sand of the seashore. (CONTINUED ON P.6)

It seems we are repeating those days, as the spirit of Nimrod's kingdom is overrunning the earth again, turning the church into Babylon, and poisoning society. **THE TRUE WAYS AND WORDS OF THE LORD ARE BEING PRESERVED NOW ONLY THROUGH A FATHER ABRAHAM AND HIS SPIRITUAL HOUSEHOLD – NOT IN THE FALSE SUBSTITUTE SPREADING THROUGH THE LAND TODAY.**

Apostle Seymour and his son Elder Seymour both continue to faithfully preserve, proclaim, and preach THE TRUE WORDS OF THE LORD and THE TRUE WAYS OF THE CHURCH, without compromise, no matter what happens in the world around them! Take time to assess yourself, your habits, your personal relationship with and service to God, your relationships and the spiritual levels that they either drag you down to, or buoy you up towards, agree with, and help support and encourage. Based on all of this, where do you see yourself spiritually in another 5 years? Are you proceeding forwards? Have you come to an unsettled stagnancy, or a dead-end desperation? **If you look around you, can you find a man of God or a House of God close by that will give you apostolic truth, life, breath, zeal for God, ministry, and life, or are you surrounded with dying churches and compromising mega-so-called-churches?** Well, where will you go to be able to find REAL HELP, and REAL LIFE in God? **And what will your options be in 5 more years???** **Make your plans to be in attendance at EVERY SUMMIT CONVERGENCE YOU CAN POSSIBLY ATTEND – you WILL see the increase and the benefits of the LORD in your life, your relationships, all you do, and your future!!!**
