

FALL 2024

# Fatherhood APOSTOLIC SUMMIT CONVERGENCE

**THURSDAY, OCTOBER 31, 2024 - SUNDAY, NOVEMBER 3, 2024**

**SPEAKERS: DR. H.B. SEYMOUR, DR. J.B. SEYMOUR**

## **“POLITICAL PLATFORMS & POLICIES BRINGING ABOUT THE UNDOING OF GOD’S CREATION”**

**The Fall 2024 Fatherhood / Apostolic Summit Convergence could not have been more timely!** God’s expressed mandate was emphatically delivered through Apostle Seymour. It was composed of a stern and deliberate expose of inexcusable, ungodly viewpoints, which have gone so far as to become policies and even laws of the land, that have become tolerated and even accepted by some who call themselves Christians. Time was of the essence – in fact, it was *completely up!*

Our nation, long teetering on the brink, has been *morally ravaged beyond compare* over the past four years, and with great fury and acceleration. The levels of sin and depravity we have seen manifested, and then transformed into absurd policies and even laws affecting our land and *especially* our children, is unthinkable and utterly reprehensible. We have watched the idolatries, sorceries, and witchcrafts referenced in the Bible that took place during the reigns of wicked kings of Israel and even Judah, come alive again in our modern, once-Christian America. Our nation has been in a fight for its life and soul for quite some time, but the administration of the last four years has been on a non-stop rampage, the likes of which we have never seen. **Who in their right mind would ever have imagined that we would see the official condoning of delusional, “transitioning” males in female sports, in female bathrooms, locker rooms, and dressing rooms, even competing in the Olympics? Or deceived perverts being allowed by the courts to adopt newborn babies and attempt to “chest-feed” said baby via their male biological body? Or pornographic books put into elementary, middle, and high school libraries featuring pedophilia, incest, homosexual encounters, in graphic detail? And when parents show up to protest at school board meetings, they are stopped, ridiculed, even arrested, and put on government watch lists as “domestic terrorists”? How about the more than 10 million illegal immigrants who flooded our borders thanks to the 2020-2024 US Presidential Administration? Fentanyl, opioid addictions and deaths skyrocketing? Homelessness and crime in cities all around the nation to levels we have never seen before? What about the courts in certain states *legalizing infanticide* for UP TO 22 MONTHS AFTER BIRTH???**

How about civil unrest, attacks on the police force, lawlessness? What about angry people mobbing the private homes of conservative court appointees? How about shoplifting and theft, organized “flash mobs” of people looting stores, in broad daylight, fighting security guards, and all this approved and sanctioned by the then-Vice President of the United States? What about child trafficking, rampant kidnappings, over 350,000 missing children that “no one knows” what happened to them? The children kidnapped by Mexican cartel members, who murder them, harvest and sell their organs, then fill their carcasses with drugs, sew the body up, and smuggle them across the border? The funeral homes and directors who were complicit with this operation, receiving dead bodies while knowing they were just containers for illegal drugs? What about the October 7, 2023 brutal massacre in Israel by bloodthirsty terrorist group Hamas, yet Israel receiving condemnation from the nations and Hamas receiving sympathy and support from brainwashed liberal idiots? How much more unfathomable, satanically-possessed insanity can possibly be introduced into our nation, before it collapses due to the undermining of sin? Common sense and basic humanity have been thrown out the window and trounced upon. Morality has been turned upside down, and normal boundaries have been overthrown and razed in order for these imprisoning regulations to ever even have been considered!

We have been witnessing the taking place of the **undoing and unraveling of God’s Creation**. **WHAT DO I MEAN BY THE UNDOING AND UNRAVELING OF GOD’S CREATION???** The key to understanding this begins, of course, in Genesis. The Bible starts off by describing the state of the earth as formless and void, and darkness being upon the face of the deep (*Gen 1:2*). This is not just a physical description of the nothingness that embodied the capsule of time and space; it also is a reflection of the spiritual state. The Hebrew words for this state of chaotic, discombobulated, wretched emptiness, are **TOHU**, **BOHU**, and **CHOSHEK**. **TOHU** – without form; **BOHU** – void; **CHOSHEK** – darkness. God elected to fill up this nothingness with His Perfection. As God systematically and predeterminedly unfolded His Creation out from Himself, everything from the Foundation up built upon itself, and increased in God’s goodness. (This continued through each of the 6 Days of Creation, with the finished product of each day becoming a foundational bedrock and a launching pad for that which would unfold the following day.) Day by day, this expanding masterpiece continued to increase in levels of goodness. Day by day, Creation got “better and better”. This is (*one of many reasons*) why God the Father deemed each Day as “good” (*\*although there is one exception concerning the Second Day of Creation*). Each increase in goodness brought the entirety of Creation into a higher level, a higher order, theoretically closer to the level of God’s perfection and holiness. The culmination of this was the Sabbath Day – the Seventh Day, or the Day of Perfection. Jewish accounts say that on that first Sabbath, the Day when God the Father rested from all His labors, that 1<sup>st</sup> Man Adam was elevated into and experienced the Seventh Heaven to observe all the glories, celebrations, and wonders of God, and all realms of His Creation, from heavenly to earthly. At this, 1<sup>st</sup> Man Adam broke forth in worship and in song, and it is said that King David recorded his song in Psalm 92. **The unfolding and increasing goodness of God, which had layered and built upon itself day by day, spiraled upwards into higher and higher levels towards God and spiritual perfection! This principle of multiplication and increasing goodness is woven into all the systems, order, and works of God. It is an upwardly ascending pathway, rather than a downfall into degradation!**

**BUT WHAT HAPPENS WHEN MANKIND, BY HIS SIN & DISOBEDIENCE TO GOD, PERSISTS IN DEFYING GOD AND ALL OF HIS WAYS & STANDARDS?** When man falls into sin and error, God in His longsuffering and mercy always allows a window of time for man to turn from his wicked ways back to truth. God will then restore and reconcile, and His forgiveness covers over a multitude of mankind’s failings. **But when mankind hardens his heart, continually increases his rebellion, and refuses to turn back to the LORD, there comes a point where the volume of transgression is no longer just a matter of personal, individual sin. At that point, sin becomes a corporate collective with far-reaching effects that harm and damage many.** This actually begins to have a notable effect on the goodness of God which was woven into all of His Creation, standards, laws, and ways. If man continues down this path, **HE ACTUALLY BEGINS TO UNDO AND REWIND THE CREATION OF GOD.** Man’s rejection of God’s perfect ways will alter the course of humanity until it starts to head back to **TOHU**, **BOHU**, and **CHOSHEK** – **without form, void, and full of darkness!**

As man follows this path, he has one of two choices: either he will either come to his senses, repent, and turn around, or else he will allow his conscience to be hardened and seared in sin. **This will finally push God to the point of judgment, where HE HIMSELF will also begin to unravel and undo elements of His Own Creation, in response to man's sinfulness.** God's allowances and actions are the inevitable outgrowth, the reaping of what man has chosen to sow.

This "**UNDOING and UNRAVELING OF CREATION**" was seen during the Great Flood of Father Noah's days. The vast majority of mankind was given over fully to sin and blatant rebellion against God. The fallen angels had taken the opportunity to come down and mix and co-mingle their seed with the daughters of men, thus producing their offspring, the Nephilim (*the giants*), who were hastening the destruction on earth. Sin was increasing in explosive increments; man had become more and more wicked, and less and less after any resemblance to God the Father, in Whose Image they had been formed, and after Whose Likeness they were to continue. **Since man had chosen to rebel against God, and pursue and immerse himself in the devil's ways, nearly everything had become twisted and contorted, and anti- God's proscribed ways:**

**"And God looked upon the earth, and, behold, it was corrupt; for all flesh had corrupted his way upon the earth." (Gen 6:12)**

Devil-entwined man was **undoing and unraveling the goodness of God's Creation.** So after many, many years of warning, God finally brought the judgment of the Great Flood upon mankind. In doing so, God had to wipe the slate clean and reduce His once-ordered Creation back into a measure of **TOHU, BOHU, and CHOSHEK.** One event that illustrates this is the fact that when the floodwaters were being poured out upon the earth, *they were not just coming down from above.* They were also coming *up from below,* for the fountains of the deep came gushing up and breaking through the rocks of the ground:

"...the same day were all the fountains of the great deep broken up,  
& the windows of heaven were opened." (Gen 7:11)

**THIS SHOWS US THAT GOD'S JUDGMENT WAS SO SEVERE THAT HE EVEN HAD TO REVERSE THAT WHICH HE HAD ESTABLISHED ALL THE WAY BACK TO THE SECOND DAY OF CREATION, WHEN HE SEPARATED THE WATERS WHILE CONSTRUCTING THE FIRMAMENT:**

"And God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament: and it was so." (Gen 1:7)

So just as sin-overtaken man had been **undoing and unraveling** larger and larger chunks of God's Perfect Design that He had ordained from Creation, it finally came to the place where God accelerated that **undoing and unraveling** as a form of His judgment. If man chooses **TOHU, BOHU, and CHOSHEK,** then man will receive **TOHU, BOHU, and CHOSHEK,** returned upon his head in a whirlwind from which he will not recover. If man chooses the undoing and unraveling of Creation, then he will get it, in a sorer portion and dimension than he ever could have imagined.

**This is an example of where our nation has been!** Indeed, in many areas, America has barely been hanging on by a thread. And what is the root cause as to why the wicked plans of the devil have survived, flourished, and spread like wildfire, across our nation, through political representatives who are deceived and / or sold out to establishing the antichrist agenda? The root cause is due to the compromised state of Men of God and the Church! **Many so-called Men of God and those in the so-called Church of today are so far from the truth of the Bible! The overall loss and absence of Apostolic Ministry has taken a terrible toll on the Church.** Looking at the last 20 years, the Church has diminished step by step by step. Internet church came on strong in the early 2000's, ...

...and this was the introduction of people justifying staying out of church, because they could “stay at home and watch church in their pajamas”. The continued rise of the Internet only bolstered this trend. After some years of tolerating this backsliding, many people then began to dismiss the importance of any kind of church attendance whatsoever. *(Think about this parallel: what if a husband and wife, or father, mother, and children, never came together in person to walk through daily life together? What if they all separated and went their own ways, and only watched each other occasionally on video, without even any communication or personal encountering? How would there be any relationship, any understanding, any coalition, any unity? Why do you think the phrase is “family unit” – a united group that is always TOGETHER? So you can see how unhealthy a situation like that would be. How much more important is it for God’s True Church to come together and be together? How much more does God the Father expect and require for His sons and daughters to be united, not just in mind and heart, but in physical presence? How would an army be able to assemble and achieve their goals if they do not live together, train together, and function together? It will never be acceptable for the Church to forsake its assembling together (Hebrews 10:25); the Church must always come together, be together, and become each others’ truest of families, as seen in the Early New Testament Apostolic Church, who were always “...daily in the temple...” (Acts 5:42).)*

The effect of Tri-Lateral Commission member Rick Warren’s “Purpose-Driven” Church movement, as well as the increase of Hillsong-type, secularized mega-campuses, were two among many factors still in the early 2000’s that watered down and undermined sound doctrine. With the advent of the Obama years came a snide, overt, forced despoliation of the Christian values that had always shaped and steered American society. At the same time, much of the influence of mostly upright, Biblically-based ministry waned, and this was also accompanied by a simultaneous uncovering of overt Satanism in the entertainment / music industry like never before. In April 2009, Obama angrily spat out the declaration that America was “not a Christian nation”, and the lukewarm church was too weak, too comatose, too deceived, or too racist to stand up against his anti-Christian spewings. Implemented, baseless racial division was thrust back upon this nation, the Arab Spring and Muslim Brotherhood “organically” began to grow in strength, and ISIS exploded on the scene. At the same time, homosexual marriage was approved, the White House was lit up in rainbow colors (*stolen from God the Father’s glorious rainbow-clad Throne, and also His rainbow covenant to Father Noah*) to celebrate this perversion, and the transgender agenda followed swiftly on its heels. We were thankfully spared the diabolical Hillary Clinton when President Trump won in 2016; but 2020’s Biden administration re-introduced and doubled down on the insane moral havoc that had overtaken us from 2008-2016; finally today we stand at the doorway of 2025 with great thanksgiving, relief, and hope for the promise of ethical leadership coming forth once again – and it is already being restored since January 20, 2025! **We have been living in an unparalleled time of THE UNDOING & UNRAVELING OF GOD’S CREATION with all the demonic, “woke” policies and standards overpowering our nation; and a headless, disunited, excuse for a Church that has been ineffective and is in indisputable need of an APOSTOLIC RESURRECTION!**

**There must be a Holy Ghost empowered restoration of true Apostles and Apostolic Five-Fold Men of God into their places in the Church;** this is the first, most necessary step to rebuilding a consecrated, committed, dedicated people of God who will stand up in truth and affect society and the world for the LORD, rather than being bound by the constraints of what evil governments impose. **THE UNDOING & UNRAVELING OF CREATION MUST STOP AND BE TURNED AROUND BACK INTO GOD’S ORDERED GOODNESS.** We are now seeing this turnaround begin to take place in the nation; it must be adhered to by men of God and Christians who make up the Church. We must live and walk again as God’s FATHERED & APOSTLED people on earth! **STOP THE UNDOING & UNRAVELING OF CREATION, AND RETURN TO GOD’S UNCHANGEABLE PATTERN, GOD’S APOSTLE-LED, APOSTOLIC FIVE-FOLD MINISTRY, GOD’S PRE-ARCHITECTURED ETERNAL COMMISSION!!!** From the starting point of true Men of God and a purified, stalwart, zealous Church, may God’s Glory flood in and cover the earth again!!!

It was an essential thing this year to realize about **the platforms and policies of political parties**. The platform of any political party is literally **“THEIR DOCTRINE”!** Whatever an entity’s **doctrine** is, is their **stance**. Whatever their **stance** is, is **who they are**. Although no political party that we know of today in America is perfect, **there is only one out of the two main parties that consistently aligns its platform with Biblical values and morals**. The other does not. Apostle Seymour thoroughly dissected these for all to hear during the Convergence. Whatever we support, in the depth of our hearts AND manifested in our vote, is what we give our **assent** to. It is what we **agree** with. It is what we **allow**. It is what we **authorize**. It is what we **assimilate** with. And it is what we give our **allegiance** to. Any true Christian cannot go along with and vote for any candidate who stands on a platform of ungodly, anti-Biblical ideas and policies! If you do this, you become a partaker in the wicked deeds of that platform, and God will not hold you unaccountable. You end up standing in opposition to God’s desires and will in building up and improving our secular society. There is no excuse for ignorance! You simply cannot join your support to, and thereby, your being to, ungodly, demonic, antigod antichrist antibiblical agendas! And you cannot commit the sin of having ***racial favoritism*** towards any candidate who advocates an ungodly, antiBiblical agenda! **This has been a reprehensible problem in the lukewarm, ill-taught Church for several years, and it is time for an end to this type of hypocrisy! Christians and any who care about God, about the Church, about people, about their children and grandchildren, and about America, must collectively unite and vote for the most Biblically accurate PLATFORM that a candidate or party represents, and proves that they will implement!** Everyone’s vote truly does matter in the eyes of God, and God will judge each of us according to how we vote, not to mention the impact that votes (*when counted fairly*) have on our nation.

God has granted us another respite from the chaotic wickedness – the TOHU, BOHU, and CHOSHEK – that has been dominating America for the last four years especially. We are ever grateful for the cries of an earnest remnant of men of God and Christians who have been holding up and faithfully proclaiming God’s Truth in the face of vicious adversity. **And there are no words to express the spectacular measure of God’s Divine Intervention concerning this 2024 U.S. Presidential Election! May we use these days to hasten God’s Apostolic Message, Ministry, and Movement like never before, and do our part daily to turn people and standards back towards True, Full Christianity as spelled out in the Holy Bible!**

**In this new and blessed season of promise, time is already marching forward to the Spring 2025 Summit Convergence, taking place from THURSDAY, MARCH 13 – SUNDAY, MARCH 16, 2025!** Please make your plans now to be in attendance as we step into God’s next phase of His Eternal Commission!
